Ah, I think I know what you're talking about! Sorry, there are like 8 threads going on simultaneously right now with Web stuff. ☺

You're talking about **updating numbers on this page**, right?

That's something that I can probably just do once it has a modicum of approval. I doubt it's an earth-shattering change. ☺

Generally Melissa Harrison or Liz Purchia approves it. You might want to let Liz, Jeff and Melissa know?

Once I have an update I guess I'll send it through the JIC for approval then when we get it he updates it. How does he get what is approved for website?

Is it anything that Jeff Morin needs to be involved with for the website?

Tim – I still need to update the resources – that fell off my plate yesterday and now they've changed a lot. I'll try to get a tally of R6 and R9 resources and then send you something.

Argh.
